## **STAPLE**

Our STAPLE Annual Wool Production Indicator is a critical planning tool and is essential to understand individual grower wool types and supply patterns to enable us to connect grower supply to customer needs. You should have received a STAPLE form in the mail within your grower pack. If you haven't received your grower pack yet, please contact your Grower Liaison and we can get a pack out to you.

I would urge you to complete your STAPLE form and return it to us to be eligible for the Grower of the Year Award.

## **Annual General Meeting**

The sixth Annual General Meeting of Wools of New Zealand Limited will be held on Thursday 29 November 2018 at Palliser Ridge, Pirinoa.

Please mark your calendars with this date - more detail will be provided closer to the time.
